Recap of Recent Activities

- 50/50 Raffle - Thank you to everyone who bought 50/50 tickets at the Delaware Township Recreation Commission's Chili Cook Off & Bingo Night. PiE raised \$385 from ticket sales and collected an additional \$160 in donations. Thank you!
- Book Bingo - PiE hosted its first book bingo on Friday, January 27th at the school. It was a fun-filled night of bingo with about 75 people in attendance. Thank you to those who donated books in advance and stay tuned as we might do another book bingo night before the year is out!
- Roller Skating - PiE hosted its traditional roller skating on Sunday, January 15th at the Frenchtown Roller Rink. We had a record number of skaters - 179!!! It was a great time for those who attended and we'll be sure to book again next year!
- Author in Residence - this annual program for third graders kicked off on January 11th with a demonstration of Peter's creative process, using examples from his books, in a PowerPoint presentation. He also drew for the students, showing a variety of sketching tips and techniques. Then, in the second session, the students and Peter brainstormed a storyline together. They developed the possibilities of exploring what could happen and what could go wrong in a story. The students are outstanding--focused and responsive! They are currently thinking of a storyline they'll want to work on for the next five sessions. Peter looks forward to their ideas!"

Assemblies

- Our next assembly is March 6th. It is an assembly by the Vital Dance Crew. They showcase high energy choreography while conveying a positive message of respect, responsibility, and setting life goals.

Updated PiE Calendar

- We've added dates for a number of events to the second half of the school year – example Color Run, Paint Nights, Plant Sale! **Check out the updated calendar attached!!**

ShopRite Gift Card Program

- Looking for a new way to help PiE raise money? Check out our new form that also is being sent home to sign up but it costs you nothing other than the amount you would already spend at ShopRite!
- PiE makes 5% on every gift card purchase so that same \$100, earns PiE \$5.
- How it works - you register using the form, each month, you will receive the gift card increment (for example \$100), and then you write a check to PiE for the \$100. Super simple and if you shop at ShopRite, it doesn't cost you anything more or less!!

Note To School

- Tired of writing notes to the school when your child needs to stay after school or is being signed out early?
- PiE has just the answer - a notepad with the key data points the school needs already pre-printed and organized. Simply fill in your personal data and send along with your child.
- Reach out to dtspie@gmail.com to order your's. One pad is \$3; two pads for \$5.

Amazon Smile & Shutterfly

- Do you already shop at Amazon or Shutterfly? For information on how you can link to PiE and PiE will earn funds from your purchases follow this link <https://dtspie.com/amazon-smiles>
