Slice of PiE

A note from PiE

We had an exciting week with enrichment kicking off! Thank you to all our instructors, volunteers, and families—without you, we wouldn't be able to offer 29 classes between the two days that 334 students are enjoying. We have some repeat classes and some amazing new ones, including Intro to Cheerleading, Flower Arranging, and more!

All our programs, including these four weeks of after school enrichment, are only made possible by YOU. Program fees and sponsorships are critical for our organization to be able to offer everything we do, and we could not do it without the generosity of our families and community. THANK YOU!

Please continue to check out our social media pages and website for upcoming programming—like the weather, our events calendar is really starting to heat up!

Sweetest wishes,
The PiE Executive Board
