# Slice of PiE

## A note from PiE

Can you believe there are only 59 (43 school) days until the end of this school year? There are still plenty of PiE events coming up to close out the year - Teacher Appreciation Week, plant sale, paint nights, color run and more! It's going to be a great kick off to summer!

In order to make all these events happen we need YOUR HELP! Check out how you can help below - there are opportunities for everyone!

We are also very excited that we've had numerous nominations for next year's PiE Executive Board. The slate will be presented at next month's meeting (5/13) and voting will take place at our June meeting (6/10). As a reminder, if you would like the opportunity to vote on the slate or anything else PiE does, you must attend at least 1 meeting in the previous 12 months. We encourage you if you'd like to be able to vote in June to attend our May meeting.

Warm Spring wishes,  
The PiE Executive Board
