## *Nominees for President*

**Debbie Lubitz**

I am finishing up my 2nd year as PiE President. I have 2 daughters going into 5th and 3rd grade and I've been active in PiE since my oldest was in Kindergarten. My goal for PiE has always been to make our organization fun, inclusive and easy to be a part of. I believe communication is key to getting families involved. I love when new ideas are brought to us and we are able to bring them to life.

## *Nominees for VP of Fundraising*

**Kassy George**

I am a mom of three children Jacob in 4th grade, Makenzie in 1st grade and Brady who will be in kindergarten in September. I am a dedicated mom who is very involved in my children's school and activities. I am passionate about creating a positive, supportive, and welcoming environment for students, teachers, and families. At my children's previous school, I played an active role as PTO president where I assisted with organizing events, supporting school initiatives, and fostering strong family involvement within the school community. I would be grateful for the opportunity to volunteer at DTS School and be apart of PiE and contribute my time, energy, and experience in any way that helps support students and staff. I am dependable, organized, and always eager to lend a helping hand wherever needed.

## *Nominees for Middle School VP*

**Dawn MacDonald**

Over the past 7 years, I've been proud to be an active member of PiE, serving as Recording Secretary and Vice President of Fundraising. As a mom of two boys at DTS — one in 8th grade and one in 5th grade — I've loved being involved and volunteering throughout their school years. Supporting our students, staff, and families has been incredibly rewarding, and I'm excited for the opportunity to continue giving back and serving our school community as the Middle School Vice President.

## *Nominees for Elementary School VP*

**Dana Bord**

My name is Dana Bord, and my husband, Mike, and I are proud parents to our kindergarten son, Benjamin. As a working mom, I truly value any opportunity to be involved in the school community and support the experiences our children have throughout the year. I would love to join the PiE board because I enjoy helping with events, fundraising, and planning, and I would be excited to contribute in ways that positively impact our students, families, and staff.

Hi, I'm Jenna Haxton, and I have proudly served as the Corresponding Secretary for the past 4 years. During my time on the PiE board I have also chaired and co-chair the book fair each year. I have an 8th grader graduating this year, a 6th grader, and a toddler starting pre-K in the fall, so our family will continue to be part of the school community for many years to come. My name is Katherine Santos, I have 3 children that attend DTS, I have 2 daughters and a son. I have an 11-year-old named Sophia, my Son Alexander is 10 years old and my little one Diana who is 5 yrs old. We moved here in August of 2024, I have never been a part of a parents and teachers organization before, but PiE has shown me what an impact an organization can bring when you involve yourself as a parent into your kids' education. I'm a stay-at-home mom at the moment, BUT recently I just got hired for a Substitute Teaching position for a pre-school in Ringoes. My background is as follows, I was born in Colombia, I came to Elizabeth, NJ when I was 5 years old, I worked with preschool kids as a Teacher's Assistant from the years 2002-2018. I speak Spanish fluently. In the future I'm planning on going back to school to finish my Bachelor's degree in History. I live with my mom, my husband and my 3 kids, and I love living here in the countryside

**Elisabeth Cook**

My name is Elisabeth Cook and I would love the opportunity to become a DTS PiE executive board member for the 2026-2027 school year. My husband, Phil, and I moved to DT 2 years ago and became part of the DTS community this school year when our son, Nathan, started preschool. I joined PiE to get involved with the school and community as well as understand how I can support the enriching activities our children experience in and out of school. I have thoroughly enjoyed my time with PiE this year and hope to contribute even more as a PiE Board member next year.
