

2026-2027 PiE PROGRAM FEE \$80 PER CHILD

Dear Families,

As we begin the 2026-2027 school year, we are asking each family to contribute **\$80 per child** to support the DTS PiE programming. The Program Fee model helps streamline fundraising for our school. By replacing many individual fundraising efforts with one annual contribution, it means fewer volunteer hours, fewer communications and less time spent organizing & participating in fundraisers which allows us to focus our energy on creating great experiences for our students and families.

For many years, PiE has worked to keep this fee consistent. Rising costs have made a modest increase necessary so that we can continue providing the programs and experiences that enrich our children's education.

What does your \$80 support?

Faculty Grants & Staff Appreciation	Family Events	Annual Events	School Enrichment	Community Building & More!
---	---------------	---------------	----------------------	----------------------------------

Last year, PiE funded six in-school assemblies, 29 after-school enrichment classes serving 334 students, a Storytelling Residency, teacher grants, family events and much more.

Your support makes these opportunities possible.

HOW TO PAY

Please submit your \$80/child program fee **by September 30, 2026**.

For your convenience, **online payment through Zeffy is available**. Payment information and the Program Fee form are included with this letter. If you need to split your payment between Fall & Spring, please indicate that on the form. Families who pay the program fee will not be charged separately for the Winter after-school enrichment program; participation fees will be waived for those who contribute the program fee.

PiE will continue to organize events that require an additional optional contribution, such as the Scholastic Book Fair in October, Holiday Shoppe in December and Plant Sale in May.

OTHER WAYS TO SUPPORT PiE

Does your employer offer **matching gifts**? Please consider including PiE. We are also always looking for **annual sponsors** to help offset the cost of programming.

The success of PiE depends on the participation and generosity of the school community. **Thank you for helping us continue to provide exceptional experiences for our students!**

Sincerely,
The DTS PiE Executive Board
