Slice of PiE

A NOTE FROM PIE

Welcome back DTS! We hope the start of school has been fun and easy for your child(ren). On Wednesday, September 9th we had our first monthly meeting - thank you for everyone that joined us. During this meeting we approved our budget for the year and discussed all the exciting events we have coming up before the end of the year.

We are very proud of our organization and school for all we offer to our students & their families; many PiE events we are able to offer for free because of the amazing support we receive from families through their program fees and the support of local businesses. If you own your own business or know any businesses looking for an organization to support, please let us know as their support provides a significant income to offer our programming.

If you weren't able to join our meeting, look for the PiE table at back to school night on 9/16 where we will have plenty of information out about who we are and what we do as well as meet a member of the Executive Board.

Finally as we start our year, you may have noticed that our clothing bins in the middle school parking lot have been pushed together. Unfortunately we are having a dispute with the vendor so at this time we are asking families to make their donations elsewhere - **please do not pile donations on top or to the side of the bins.** Doing this creates extra work for PiE who then has to transport them to another location. We are actively working to resolve this situation and come up with a new vendor.

Best wishes,
The PiE Executive Board
